Awards Assembly Period 7

ATHLETIC, MUSIC,
S. B., AND SPECIAL
AWARDS READY

By JIM YOUNG

Athletic, music, student body, and special awards will be presented at a special assembly at seventh period today. Special trophies won by the track team and boxing teams will also be presented.

In the sports awards, members of the boxing team who have been recommended for letters are Mullen, Shikuma, Rial, Fuji, Vella, Cox, Jacobson, Marchi, and Alvitre. Tennis team members Hansen, Gee, Oda and Murray will receive tennis blocks. Basketball blocks will be awarded to Vosti, Dimick, Eaton, Trimmingham, Roth, Dowden, Hansen, and Bob Stuck, manager. Panther baseballers who will receive awards are Asada, Raine, Hart, Garcia, Vansandt, Paul, Scattini, Wilke, Franzier, Stromberg, Kawamoto, Nerell, and Charles Lee and Richard Barkle, managers. Track letters will be given to Greening, Martin, Stewart, Vella, Martinez, MacLean, Cissna, Crossetti, Killingsworth, Vorheis, De Pauli, Hudson, Shaw, Garcia, Stokes, Robinson, Meese, Bain, Romine, Lewis, Marchi, Wesley, and T. Mitchell, Bob Stuck and Dick Hamby, managers.

In order to win a block in basketball one must play two-fifths of the total halves of conference play; in baseball two-fifths of the total innings of conference play; and in track one must win one first or two seconds in any three-way conference meet or make one point in the "B" meet. In addition to this they must secure the recommendation of the coach, the approval of the commission, and be passing in 10½ units of study.

Special music awards will be presented to the 12 musicians with the highest number of points figured on the following basis: Attendance at regular rehearsals, 2 points; attendance at special rehearsals, 5 points; outside performances, 10 points; special solos, 10 points; original compositions, up to instructors.

Student body awards will be
(Continued on page 2)

ATTENDANCE PERCENTAGE IS REVEALED

A large number of the students now attending the college have expressed the desire to attend again next semester. The percentage of these students in relationship to their graduating class is given below, as released by President R. J. Werner:

School	Returning	Grads.	Pct.
Gilroy	29	87	31
Watsonville	60	216	28
Santa Cruz	32	217	14
Pacific Grove	18	65	27
Monterey	30	133	22
King City	18	59	30
Salinas	78	213	36

Largest Class In Jaysee History; Registration Starts On August 28

By JOHN MITCHELL

Salinas Junior College will graduate the largest class in its history on Friday evening, June 9, when 99 students will receive their diplomas on the stage of the high school auditorium. Joyce White and Stanley Irelan are the student speakers at this year's graduation exercises. They were chosen from the entire class on a basis of high scholarship, activity in school affairs, and their ability as public speakers.

The program for the exercises will consist of music under the direction of Miss Lowe and Mr. McCann, speeches by the student speakers, and presentation of awards and diplomas.

The various local service clubs are presenting many awards this year. These will be the American Legion honorary award, the American Legion Auxiliary award, Chamber of Commerce award, science award, and the Business & Professional Women's Club scholarship.

The graduating students are: Emilie Alarid, Lois Alsop, Genemarie Andersen, Alton Arata, Gordon Bain, Ardath Bare, Doris Barnard, Arthur Barter, Barbara Bentley, Catherine Barnard, Aileen Breschini, Richard Carlisle, John Coustette, Gilesene Curtis, Helen Dahna, Esther Doberenz, Ruth Dubendorf, Katshiro Endo, James Fassett, Agnes Fernie, Joe Ferrara, Betty Force, Bill Frazier, Abe Fuji, Toshi Fujita, Joe Garcia, Lorena Gard, Thomas Gee, Maie Goodman, Clyde Greenhill, Ruth Greeve, Gerald Harrah, Sally Hayes, Florence Hill, Betty Holman, Robert Hudson, James Hutton, Florence Hurst, Stanley Irelan, Yuri Iwanaga, Aleen Jacks, Mae Jang, Alfred Johnson, William Kane, Casey Kawamoto, Ray Kirby, Harry Knowles, Don Kozeni, Mary Labas, William Law, Elaine Ievy, Ellen Lowell, Richard MacFarlane, Donald Mammen, Lydia Mason, Maxine McElroy, William McLean, John

(Continued on page 2)

By HERB JACOBSON

With registration from August 28 until September 1, Salinas Jaysee will open its doors to students with a new and enlarged faculty, new buildings, probable new recreation rooms in the basement of the new gym, and many new courses.

President R. J. Werner is proud of our Jaysee and the manner in which it is progressing. School will start Tuesday, September 5. The first assembly will be held September 8, which will introduce new songs, yells, student body officers, and President Werner's address of welcome.

The frosh reception, which will be held on September 15, will be the biggest and best this school has ever had. It will take place on the spacious floor of the new gym. We'll have room for everyone as 1,500 people can dance with ease in this huge addition to our school.

A granite panther, 8 feet long, 4 feet high, and 3 feet wide, made by a world-famous sculpture, will be ours. A model of this may be seen in the art room. In this way the Jaysee Panther will be magnificently displayed. Another famous piece of art work will be given to the art class. It is a wood bust, made of rosewood, called "Mother of the Sea." It was made by Lester Matthews, who won top prizes in New York with this piece of work.

In the back of the school, facing the athletic field, will be planted shrubs and a lawn. In the space near the side door of the old gym, handball, badminton, and ping pong courts will be located for the convenience of the students who wish to use them.

A fourth bus will be run from Santa Cruz, through Watsonville to Salinas. It is probable that a third bus will be needed for Monterey, Carmel, and Pacific Grove. This will enable students to stay for night games with an

(Continued on page 2)

Attend Prom At Del Monte On June 8th

This is your LAST WARNING! Since this is the last issue of the Battery this year, let it be impressed upon your minds, dear students, that the prom is just around the corner. It is the last gala affair of the school year and fun can be had for the asking. All you have to do is to ask any of the prom committee, namely, Dick MacFarland, Ted Spaulding, Richard Hambey, Doretta White, Jeanette Light, John Mitchell, Ed Hilby, Margie Reimers, or Clyde Greenhill how you can purchase a bid — then run, duck, or climb, because they all have tickets for sale. When you purchase your bid you will be given two dance programs. This year the students will be given the opportunity of filling out their programs before the night of the dance. This should avoid the last minute rush with about half of the evening taken up by running around looking for dances. The committee requests that you take advantage of this opportunity, so that the usual mix-up will be avoided.

Again we want to make it clear to you that the prom will be held one week from next Thursday, June 8, at the Hotel Del Monte, in the Bali Room, with dancing from 9 until 2, and bids selling for \$1.75. Remem-

Executive Officers Meeting

FOUR SALINAS
JAYSEERS GO TO
EXECUTIVE MEET

By DIMICK and REIMERS

Four Salinas delegates attended the Junior College Executive Officers' Convention at Sacramento Junior College last Friday and Saturday and really brought home the bacon in a big way. Besides persuading the 50 or more delegates present that Salinas was the logical place for the 1940 convention, our representatives, Ted Spaulding, Marlin Dimick, Clair Young, and George Laughton, secured innumerable suggestions for student body government and activities, some of which will be put into effect at Salinas next year as well as receiving confirmation of many of our present practices.

The convention started Friday morning with registration. The delegates enjoyed a tour of the historical old city of Sacramento in the afternoon, a banquet on the fourteenth floor of the Elks building in the evening, followed by the spring prom in the civic auditorium.

On Saturday morning the junior college officers participated in round table discussions before adjourning to a general assembly during which Mr. J. Brickley, of Sacramento Jaysee, spoke on the European situation. Mr. Jack Reese, imitator, entertained during the luncheon held in the cafeteria. The speaker at the banquet was Mr. Art Strader, whose topic was the care and feeding of junior college officers.

This executive officers' convention was the first of its kind to be attempted on a statewide basis, and the officers and students of Sacramento Junior College should be given full credit for putting it over. The convention was well organized, and really presents a goal for Salinas to shoot at for next year when they serve as host to the
(Continued on page 4)

CAPS AND GOWNS OBTAINABLE ON JUNE FIFTH

Caps and gowns for the graduating students may be obtained from Monday, June 5, through Thursday, June 8. This is the proper procedure for getting your cap and gown: Pay a \$2 deposit fee at the students' store and you will be given a receipt. Take this receipt to Mrs. Baxter who will be in one of the rooms for certain periods during the day and be fitted for a cap and gown.

After you have been fitted, you will be given your cap and gown which you are to take to the high school with you on the night of graduation. After graduation go immediately to a room which will be designated, turn in your cap and gown, have your name removed from the list, and at that time 50 cents of the fee will be returned to you.

Final Exam Schedule

EDITORIALS

GROW UP WITH THE SCHOOL

Salinas Junior College is no longer in the adolescent stage of its development. We who have been here have seen it expand more rapidly than any one of us would expect and it is essential that those of us who are to remain here next semester should grow up with the school.

There will be many strange faces here who have a limited acquaintance among the people who come here from their own home town. It is easy to recall the feeling of strangeness encountered when entering a new school. Doesn't it make you feel much more at home to encounter people who are friendly and easily met?

With the growth of the school it is essential that there should be a similar development on the part of the student body. Student body affairs during the past year, though they have had the support and cooperation of certain members of the student body, have not had the full cooperation of the entire group. There is always a certain number who participate wholeheartedly in whatever they undertake but there is an even greater majority who either will not volunteer to participate or who lose interest after whatever is going on is well started. Any venture, no matter how small, needs the full cooperation of the persons involved to make it a success. It is reasonable to expect that all of us who have attended the school want to see it successful and more widely known so that we may say, "I attended Salinas Junior College." There is one way to build up the morale of the student body, and only that one way. Every member of the student body must give his whole support without hesitation or excuses.

Let's have a better Salinas Junior College to accompany a bigger Salinas Junior College.

EDITOR'S FAREWELL

It is with genuine and deep misgivings that I bid good-bye to the faculty and student body of Salinas Jaysee. Since time immemorial farewells have been penned and orated but none with as much feeling as this one.

In it I am striving to thank the entire college for the perfect year I have enjoyed in the position of editor-in-chief of the Battery. My aides have proved themselves highly efficient workmen and it is to them that much of the success of this year's Battery is due.

In this farewell to an excellent school, I would also like to extend the "adioses" and "sayonaras" of the entire staff of this weekly publication. They inform me that their journalistic tasks have been those of utmost enjoyment.

And so, although not succeeding in expressing the true depth of our sincere gratitude and farewell in the above lines, I and my staff, would like it understood that if ever a friendlier and more cooperative student body is found aiding a college paper, it will most certainly be located at Salinas Junior College.

SCHEDULE

(Continued from page 1)
assurance of getting home.

The school's registration is expected to total 1,000.

New agriculture courses will be offered as regular daily classes. This will broaden the knowledge of our local farmers who take this opportunity to learn. Also a new home economics course will be offered. This course is

designed for girls who wish to learn more of economics of the home.

On September 22 the Salinas Jaysee football squad will tackle its first opponent, Santa Barbara State College, in Salinas, under the lights of the Lettuce Bowl.

Next Semester will mark a definite improvement over this semester and with no evidence of a halt.

REPORTERS: Bob McMenamin, Margaret Ann King, Margie Reimers, Jim Young, Ben Crawford, Richard Barkle, Bill Ziegler, Ruthe Osborn, Herb Jacobson, Ruth Nunes, Bill Murray, Marlin Dimick, Ernest Scattini, Dan De Pauli, Jerome Lee, Doug Schwartz, Dayton Lawson, John Mitchell, and Keith Pope.

BUYING BOOKS

The student store is now buying used books that have been recommended by the faculty for use next year. The schedule of hours when the books will be purchased is soon to be placed on the student store bulletin board.

LA REATA THANKS ALL CONCERNED

We are anxiously waiting for the La Reata to return from the printers so that we can take a look at it and see how much bigger and better it is. It will go on sale sometime next week.

Barbara Bentley, editor of the 1939 La Reata, wishes to thank the advertisers for their contributions; and among the students she is very grateful to Mel Stromberg for his work as commissioner of publications, to Lynn Turgeon, who, as business manager, sold about three-fourths of the advertisements, to Ann Phillips, Keith Pope, Doug Schwartz, and Jeanette Light for writing up the copy on such short notice, and to Virginia La Franchi for her work on the snapshot page.

ATTEND PROM

(Continued from page 1)
ber, May 29, is definitely the last day on which you can buy bids for the spring prom and there are only 200 bids remaining for junior college students. If these are not sold to junior college students, the committee announced, they will be sold to high school students. We want our prom to be strictly Jaysee; let's all get out in our best bib and tucker and have a good time to top the year off. It will be a great way to finish off that last day of finals.

The patrons and patronesses will be President and Mrs. R. J. Werner, Mr. and Mrs. R. Bowen, Miss Gertrude Lowe, Dr. Luella Hall, Mr. Jack Kympton, Mr. and Mrs. Harris B. Sproles, and Mr. and Mrs. Earl F. Sauble. The hosts and hostesses will be Ted Spaulding, Jean Meese, John Mitchell, Vivian Stephenson, Richard MacFarland and Doreta White.

Spaulding Releases New Semester Plans

Ted Spaulding, a repeat as a choice for student body president next year, has released the following list of improvements and revisions as a few of the most important which will be put into effect at the beginning of school next year.

When students first enroll, they will be asked to fill out a card which will serve as a register for social activities. In this way, on a moment's notice, anyone can find out what activities the students are interested in, and whether they would consider serving on committees of government, dances, entertain-

ment, etc. This card will also serve as an index to the type of assemblies which the students are interested in.

A balanced budget will be set for next year and adhered to. As Prexy Spaulding said, "The student body fund is not a gold mine; it can't be nicked for everything and be expected to cover all the activities that it is supposed to." In connection with this balanced budget, a purchase order for everything, no matter how trivial, will be required next year.

There will be a set schedule of activities for next year, thus eliminating last minute affairs which are usually a hindrance to school morale and spirit. A full calendar of social activities will be put up at the first of the year and if supported favorably by the students and organizations, will be maintained throughout the term.

A definite plan of assemblies is going to be insisted on. In fact, six professional entertainers have already been contracted for with several more extremely interesting assemblies being planned.

Also, everything possible will be done to make things more convenient and enjoyable for extra-curricular activities. To do this, a time and place for club and organization meetings will be provided. At the bottom of the list, but not last in consideration, are the tentative plans for the new school year.

It is hoped that a social hall for the students can be provided. While this is a pipe dream as yet, it has more than an even chance of becoming a reality.

A schedule for the segregation of incoming freshmen is going to be investigated and if favorable will be inaugurated for the new "freshies". Whether this will include wearing green dinks, badges, or what, is not yet determined.

As is shown by the above list this program is quite pretentious and will be very efficient if it is supported. However, the success of this plan, meaning whether or not Salinas Jaysee has a banner year with activities, depends upon the degree of backing which the students give to the officers and their offices.

The future officers are enthusiastic regarding the success and spirit of next year's increased enrollment. All that remains now is a similar promise of enthusiasm by the student body as a whole.

GRADUATION

(Continued from page 1)

Mitchell, Kazuye Nakamura, Al Newlove, Tad Oda, Luther Panzierra, Susan Falmer, Flora Panzierra, Evelyn Pierce, Louise Philbrick, Laurie Pilling, Lois Randle, Ruth Robinson, Ralph Rosso, Frances Rhulen, Armistine Salmina, Ernest Scattini, Doug Schwartz, Eugene Schweitzer, Leotta Scott, Phyllis Schaffer, Ruth Shaw, Richard Snell, Theodore Simpson, Eleanore Spallino, Vivian Stephenson, Gordon Stewart, Leslie Stocking, Melvin Stromberg, Virginia Sturtevant, Satoru Takemoto, Ruth Thayer, Ernest Torigoe, Thomas Utsunomiya, Anna Marie Veet, Roy Voris, Kenneth Ward, Ralph Wells, Joyce White, Joyce Wiggins, Richard Willoughby, Barnard Wolcott, Dorothy Wirth, Kazue Yoshizumi, Clair Young, and Peggy Young.

AWARDS

(Continued from page 1)
presented to the students who have made outstanding contributions to the student body by their co-operation and ideas.

There is a possibility that the championship Panther track and boxing teams will be awarded sweaters but this matter is still being discussed by the commission.

In addition to the above there are several special awards to be given out this afternoon, the nature of which cannot be revealed until seventh period.

Congratulations to the Graduates...

We can take care of your needs for

Ramblings

By DIZ

This being the last issue of the Battery for this school year, we have decided to spend this time in reminiscing about the past. We know that it is the custom of writers at the end of the year to look forward, but that can't be done unless we wish to incur a libel suit. Well, here goes with parts of columns that we have used in the past year. It's obvious that they still hold true today. This is our way of saying goodbye to you —

In our first column, October 7, appeared this morsel of news: "A certain frosh, Marjorie Easton by name, came, saw and conquered a certain football player — Burton Stokes." Since then he has started wearing her ring.

October 14: "Bud Fetzter proved quite the possessive fellow at the skate. He wouldn't even let his best friends skate with Laurie Pilling. Maybe it's because he knows them."

"Marlen Dimick seemed so interested in Ruthie Nunes Friday in the gym that it's very doubtful whether he saw any of the puff and groaners." This appeared in a November issue.

We had a double-header on November 18. First one concerned our off and on couple: "Another couple that graces our school is Jean and Ed. This is a mite late as they have been seen constantly in each other's company during the last few weeks."

The other couple is never off — every school year brings forth a really "in-love" couple; last year it was Joyce and Everett, but this year John and Jane take the cake. This is what we wrote then: "Also around are John Silliman and Jane Simpson. Isn't it a co-incidence, but they can use the same rings, silverware, sweaters and such since their initials are just the same?"

Following the New Year this resolution took place: "Jimmy Hutton and Rita Del Piero keep the heater warm these cold mornings. Someone ought to tell them that it's not spring yet. If I were a poet I might add that it's always spring in their hearts. Gush!"

In our edition following the backwards dance this little article brings us close up to date. "Another new couple brought to light at the dance was Bill Morasci and Stevie. This is so sudden. My, what big green eyes you have, Johnny!"

In the last paper for March we notice this: "Another romance that has been brewing lately and finally culminated at the skate concerns Florence Hurst and Red Roth. It must have been an important date for both of them because they knew nothing about skating. It's funny what love can do."

Here we are at April 14 and we find another double bill. These romances certainly have staying power. "Springtime is the time for rings. For instance, just look at Tootie Stephenson; Don Paul's King City class ring is adorning her hand."

Second feature took place in this manner: "It's romance between Harold Cushing and Iris

What the Students of JC THINK ABOUT SOCIAL EVENTS

By the Woman in the Hall

Now that school is just about over, everyone is talking about the different events that have taken place all term. This week the question in the hall was, "What do you think has been the most enjoyable social event of this term? Why? Most every event got one vote. Here are some of the answers:

Bill Rasmussen: "This last Rainbow barn dance. Possibly I enjoyed it because of the 'can' music, and I'm usually playing in the orchestra."

Arlene Keller: "I think that the picnic was the most enjoyable function of the year because there was so much to do."

Bill Law: "I had a good time at the first backwards dance."

Helen Momand: "The first backwards dance, but there weren't many social activities."

Jay Lewis: "The Rainbow backwards dance. It was outstanding because the nickelodion with a stand-out."

Margie Reimers: "Why, the Sigma Alpha Phi half-and-half dance. It was the most unique and had the best attendance, decorations, and so forth."

Art Barter: "The picnic at Bolado Park, by all means. It gave a person a chance to see the students' reactions outside of the classroom. Aye'n Davey O'Baker's birthday party on Carmel beach — right!"

Betty Holman: "I think the winter ball was more fun than anything we've had this term."

Larry MacLean: "I think the most enjoyable social event was when we entertained the Santa Rosa track team out in back of the band house."

Bob Hudson: "The picnic at Bolado was best, but no doubt the prom will outdo it."

Miller. It seems that he made frequent trips to Watsonville during Easter week. A corsage was tossed in for good measure on one of them."

"They Say" it's "Love In Bloom" for "That Sly Old Gentleman" Art Meese and "Love of His Life" Betty Geddes. "From Now On" "They Are Happy About the Whole Thing." Remember this issue? It was April 21.

We can't close without a word about some of our newer steadies. For instance, Joe and Jeanette, Charles Priddy and Margaret Fernie, Betty Force and Doc MacFarlane. They deserve a paragraph but they are so new that we would be just repeating our last week's column.

I hope these ghosts from the files make you realize that the junior college love batting average is pretty good — even if we do have a few couples that break up.

Well, goodbye, you all. I guess we'll have to put "Diz" back in the closet until it can come out next year with more skeletons.

Summer News

During the summer the students of the Jaysee will be scattered all over the United States. Many are planning to vacation, others to work. The students have been questioned regarding their summer plans and we have compiled these statistics to show the varied types of work your school-mates will be doing and where they will be —

Mel Shaw: Tourist guide at Lake Tahoe and a wife to guide him.

Don Zamzow: Job with state fire suppression crew in the Big Sur area.

Cliff Talley: Pull weeds for the city of Salinas.

Barney Wolcott: Work in a cannery.

Gus Whitaker: Craft counselor at Boy Scout camp in Big Sur.

Ruth Thayer: Office work in a Salinas laundry.

Alfred Pretty: Working for the Press in Carmel.

Betty Mainero: With the telephone company in Gilroy.

Delmar Wood: With Holman's department store in Pacific Grove.

Mabel Cory: With a jewelry store in Salinas.

Doreta White: Will work in a local theatre.

Betty Tholcke: With agricultural district company.

Fern Duncan: With the U. S. Department of Agriculture at Salinas.

Ann Lucey: Office work at a local hardware company.

Gordon Chappell: Copy boy on the Chronicle.

Leland Roth: Plasterer in Oregon.

Florence Hurst: Work in Hyde's florist shop in Watsonville.

Floyd Wilke: Work on a farm in Fall River, Mass.

Tak Higuchi: Work on a ranch in the Santa Clara Valley.

"Pump" Vella: Plasterer in New Jersey; also will visit the New York World's Fair.

Bowden Bryan: Geological survey all over state of California.

Gerald Hansen: Work in a Watsonville service station and play tennis.

Moon Mullins: Will paint signs in Gilroy.

Al Newlove and Sid Carter: Will work in a gold mine at Grass Valley.

Larry MacLean: With a kitten factory (knitting mill) in Alabama.

Nick Nardiello: Will work in a New Jersey garage.

Ted Spaulding: Will work on the school grounds.

Hughes Andrus: With California Orchard Company as field manager.

Marlen Dimick: Will work at the Cedar Crest resort at Huntington Lake.

Clair Young: With Lindell's coffee shop in Salinas.

Charles Stefan: With J. C. Penney Company, Watsonville.

WOMEN'S CORNER CLUBS

JUNIOR SOROPTIMISTS

Members of the Junior Soroptimist Club had as their guests at a luncheon Tuesday at the Cominos Hotel, the members of the downtown Soroptimist Club.

Margaret Hunsucker was in charge and a very enjoyable program was presented. Ernestine Morehead sang "Deep Purple," a history of the club was given by Ann Matiasovich, Ralph Rosso sang "Dutch Garden", Evelyn Bloser and Margie Easton presented a modern dance selection, and Betty Force played the piano.

This was the final meeting of the term and they held the revealing of pals. Those members who have left school during the term also attended.

Miss Faith Fraser, advisor to the club, says that she has enjoyed being with the girls, and having the opportunity to be a member of both the downtown club as well as the Junior Soroptimists. Miss Fraser went on to say that she learned a great deal, along with the girls, in their study of vocations.

The downtown Soroptimists are very pleased with the girls' work and very interested in them, reports Miss Fraser.

They are planning to organize again next term and all girls who are interested are invited to join. Girls are advised to put their applications in early because the membership is limited.

GAMMA NU

Several new Gamma Nu pledges have been running around the campus in various forms of comical attire, and will be doing so until the end of school. The new pledges are the last for this semester and are Helen Pedroni, Helen Black, Evelyn Heinsen, and Phyllis Gwynn.

WESTMINSTER CLUB

Attended by 26 of its 40 members the Westminster Club gave a picnic in Central Park, Salinas, last Friday. Chairman was Glenn Howland and as a special guest they had Mr. Richard Werner.

Rev. Hunter, of Pacific Grove, who majored in science during his graduate and under-graduate years at the Hopkins Marine Station, spoke on "Science and Religion."

The picnic lunch was served by Miss Sara Teeter and consisted of hot fried chicken, potato salad, hot buttered muffins, olives, and pickles. This proved a very novel idea and everyone enjoyed themselves thoroughly.

FILIPINO CLUB

The Filipino Club will give a dinner at the Jeffrey Hotel on Wednesday, June 7. The Filipino Community is cooperating in arranging the dinner and more than 100 reservations are expected.

NOTE: Any club interested in giving a luncheon similar to the one given by the Westminster Club please see Miss Fraser regarding the obtaining of Miss Sara Teeter's services.

They say that a Scotchman once gave a waiter a tip—but the horse didn't run.

FROM DATES

Just to let youse guys and gals know who is going with who and we don't know why:

Ralph Wells, Toni Hester.
Jerome Lee, Kitty Baird.
Marlin Dimick, Ruthie Nunes.
Bill Ziegler, Virginia Fry.
"Red" Roth, Florence Hurst.
Ben Crawford, Olive Dean.
Ernest Scattini, Betty Bingaman.

Joe Maddalena, Jeanette Light.
Sid Carter, Irene Manildi.
Art Barter, Harriet Holman.

Don Paul, "Tootie" Stevenson.
Jack Dolan, Helen Bidelman.
Bill Rasmussen, Jean Bailey.
Jack Nelson, Dorothy Howell.
Herb Jacobson, Gail Borges.
Emma Schneider, Morris Charters.

FASHIONS

"What shall I wear to the prom?" What girl isn't saying that to herself as she contemplates the social event of the year after having just received an invitation from that certain boys?

With the prom not far off, girls are shopping for a formal that will be the envy of all the other gals. So here are a few tips on just what is being shown this summer:

The trend is still to the old fashioned demure type and the high waist lines, puffed sleeves, childlike dresses will make you remember your first party. Stripes, polka dots, checks, and flowered designs are definitely the "thing". Rustling taffeta, swirling chiffon, filmy laces, and cool organdy, are the materials that are being shown everywhere. Of course, they are all in the new colors, chartreuse, purple, fuchsia, citron, and melody pink, although white is still a great favorite.

From a recent college mag we learned what the fellows expect when they take the gals dancing. So lend an ear and on the night of June 8 don your new formal and remember: You must be able to dance reasonably well; know the correct posture for dancing; try to look like you're enjoying yourself; the left hand is to be used for support and not for waving at other fellows; don't dance with your eyes closed, it gives the impression that you are asleep or that your partner is so unattractive that you cannot bear the sight of him.

So here's hoping you all have a swell time, and so long 'til next semester.

Panther Sports

1939 Sport Season Reviewed By Wilke

In looking over the athletic year that has just come to a conclusion, we find that Salinas fared well in all sports save one. Basketball was the only exception. In this, it was Salinas' lack of height in a giant-sized league that prevented better results.

In football the high-light of the season was the Salinas-Marlin tilt which was played under lights for the first time. This game received the biggest play-up of any athletic contest ever held here. A record-breaking crowd of some 3100 viewed the game. The home team rewarded its patronage by walloping a good Marlin eleven 26-7.

The best individual exhibition during the entire football season was "Pump" Vella's wild horse of the Pampas act in this game. To say he ran wild would be putting it mildly. In this game also, the best performance by an opponent was brought out in Marlin's great Hoberg. Other fine performers against Salinas were Boyer of Porterville, Albert of Stanford frosh, and Acorne and Battaglia of Santa Rosa. Exceptional performances were put on by our Everett Chetwood and the ever dependable and consistent Joe Garcia. Garcia made end on the all-conference team.

In basketball the high-light of the season was the appearance of the University of Mexico's team here. Even though they did win in the end it was interesting to see how calmly the Mexicans, who have the reputation of being easily aroused, sat as cool as cucumbers when their team was behind in several stages of the game. Gerald Hansen's 16-points in a league game against San Mateo topped the locals in that field. Other good performers were Roth, Eaton, and Dimick.

Boxing fans saw Salinas lambast the San Mateo pugs in seven out of eight matches to take the conference crown with ease. Most of the wins were technical knockouts. San Mateo could not rig up a man good enough to get in the same ring with our own Norman Rial and forfeited that match. Abe Fuji's encounter with Gehrels interested me most. Abe started like a snail and ended like dynamite.

Track experienced its greatest season. In another of the biggest playups of an athletic contest Rico Crosetti won the big cross-country race. Much publicity was given a pair of Venetians who developed a case of acute rivalry. Their names were Rico Crosetti and Pump Vella.

In the inter-class track carnival the freshmen overpowered the sophs no end. The sophs had about as much chance as a snowball has of taking a trip through Satan's territory. Larry

MacLean racked up no less than 28 points for the victorious frosh.

The regular track season saw the Panthers, undefeated in four dual meets, play host to the conference B meet here and walk away with the title. Santa Rosa, our closest rival, played second fiddle to us all season. Best performances here were made by Battaglia of Santa Rosa. Running at Salinas on two occasions he copped a double victory both times with new records in each event. Hollister's Murphy gave a fine exhibition in the "B" meet when he won both hurdle events in record times. Larry MacLean and Ben Robinson were good all-around stars in big meets. Robinson gathered 18 points in the Santa Rosa meet and MacLean accounted for 19 in the Marlin meet. Coach Bud Winter set a new all-time record for time spent on the track. He usually got out there at 8 a. m. and turned in at 6 p. m.

In baseball, the game that attracted the most attention was the Salinas J. C.-San Francisco Seals game here to officially to dedicate the new diamond. The crowd of some 1500 saw the Seals, who were mostly aspiring future Di Maggio's and Fellers, batter the locals 9-1. Outside of that the Panthers' rise to near-league hegemony was the feature. Salinas rose to third place in the league standings aided by victories over the two top teams, Modesto and Sacramento. Best individual performance was by Jim Hart who pitched a one-hit game over the league's leading Sacramento nine. Other fine performances against Salinas were given by Pfyf, of San Mateo, and Randall of Santa Rosa, who banged the ball to all corners of the lot. The finest defensive play was exhibited by San Francisco's left fielder, Rufus. The pitchers who were outstanding in the league were Woerner of Sacramento, Adams of Modesto, Preston of San Mateo, and Jim Hart of Salinas.

In tennis the team finished third in the league against quite a few class "A" schools. Gerald "Big Bill" Hansen was the star of the locals.

Bowling was added for the first time. The team topped a good San Francisco team twice. The last match at San Francisco was the season's highlight. Ernie Scattini's bowling was of high order in the matches.

All in all Salinas enjoyed a great year. From now on the teams will be striving for further heights. Step back fans; you too, lady; Salinas is coming through.

The human brain is a marvelous organism. It starts as soon as we get up and does not stop until our first period test.

ATHLETES, ATTENTION

Every individual before receiving any sports awards, must turn in all equipment belonging to the school, and have all class work up to par.

This is necessary as there is still some equipment missing and some class work not complete. It is hoped this will be attended to right away so the awards may be given out in today's assembly to all who

Sports Parade of '39

By KEITH POPE
MOLESKIN SEASON

One of the most successful seasons in football dominated the past sports season. The Panthers went undefeated and untied during 6 games played on the home field. The Stanford frosh squad, boasting the strongest team ever produced by that institution since 1901, defeated Salinas Junior College by a close 13-6 score.

The first night game of football ever played in Salinas found the Panthers crushing Marlin Junior College to the tune of 26-7. Featuring Hoberg, 210-pound back, Marlin Junior College fought vainly, for the lads from the north were terribly out-classed.

Stockton, Porterville, Taft, Placer, and Reedley Junior Colleges fell before the onslaught of the Panther eleven.

CASABA ARTISTS

Although unable to win a conference game, Coach Ed Adams' basketball team held the strong Marlin conference champions to the lowest score of any school in the league. Coach Adams' "mighty mites" were just too short, but always gave the opposing team a good game. Eaton, Dimick, and Roth led the high scorers.

BOXING

The Panthers proved themselves more than staunch fighters for S. J. C. Beating San Mateo Junior College in almost every match, Salinas won the conference championship.

TRACK

Conference champions! This is the title claimed by the Panther track team. The thin-clad lads defeated every team they met in dual meets. At the final conference meet at Salinas the Panthers smothered all opposition. Six conference records were shattered. Larry MacLean of Salinas ran 50.1 in the 440-yard dash. Murphy, of Hollister, ran the hurdle races in record time. McNeilly, of Marlin, set a new mark in the broad jump and Joe Garcia, of Salinas, threw the javelin 176 feet. Battaglia lowered the 100-yard sprint mark of 10.1 to 10. Badger, of Santa Rosa, tied his 880 yard mark of 2:03.4.

BASEBALL

Coach Ed Adams produced a strong baseball squad during the '39 season. Leading all other B-conference schools in the race for the title, the Panthers finished in third place. Raine and Hart pitched good ball throughout the year. The strong San Francisco rookie Seals pounded out a 9-1 victory over the locals in one of the highlights of the season.

Panther Cindermen In National Jaysee Meet

GRID GAMES ARE SCHEDULED

Practice for next year's grid-iron games will begin one week before the opening of school. A schedule of nine games has been announced by Coach Bud Winter. Six games will be played under the lights at the Salinas high school stadium.

The maroon and gold team will travel to Marlin, Placer, and Yuba. Several veterans will return to the grid wars. Several of the CCAL grid stars have definitely chosen Salinas Junior College as their institution of higher learning. The Panther backfield will probably consist of Osmer, Paul, Cavalli, and Vella.

Returning linemen are Marchi, Graves, Dolan, Pope, Scattini, Nardiello, De Pauli, and Raine. Walter Trotter, from Monterey is expected to lessen the worry of Coach Winter's trouble to find a tackle. Boyd Friis will be converted into a center or a tackle. Both of these lads weigh well over 210 pounds.

Several pep rallies are being planned for the opening game with Santa Barbara State freshmen at Salinas under the lights. The Maroon and gold squad went undefeated and untied in six games played on the home field last year. When one adds everything up, the next pigskin season points to great times and conquests.

The nine games will be played with:

Santa Barbara State frosh, Sept. 22.
San Jose State frosh, Sept. 29.
Reedley Junior College, Oct. 4.
Porterville Junior College, Oct. 11.
Placer Junior College, Oct. 18.
Marlin Junior College, Oct. 25.
Santa Rosa Junior College, Nov. 2.
Menlo Junior College, Nov. 11.
Yuba Junior College, Nov. 18.

Gracious, but you and Jim were gone a long time. Have a blowout?

No, he never spent a cent.
